

MUHAMMAD FARHAN ASLAM

Software Engineer

CAREER OBJECTIVE

"A dream doesn't become reality through magic; it takes sweat, determination and hard work."
Colin Powell

I believe in career building through hardworking and I take it as a key of success to enhance my skill and potential by working in an organization that is conducive to learning, hardworking and creative learning.

PERSONAL PROFILE

I am a highly competent IT professional with a proven track record in designing websites and managing databases. I have strong technical skills as well as excellent interpersonal skills, enabling me to interact with a wide range of clients. I am eager to be challenged in order to grow and further improve my IT skills. My greatest passion in life is using my technical know-how to benefit other people and organizations.
